Dear Ms. Bickner:

My wife and I are enclosing our application and fee for the water rights on lots 3&4 of Mountain Park Summer Homes of Lake Wenatchee. We also wish to thank you for the time and information you have given us on this matter via our phone calls.

Our cabin was built in 1949 and when we bought it 14 years ago we were assured by the both the seller and the real estate broker that it had water rights, since it has had a pump that has supplied the kitchen and bathrooms during all of that time. The previous owner, Mr. Jack Loepp, is now deceased. It was his father, Walter Loepp, who built the cabin. We use the cabin approximately 30-45 days a year and although it may not seem often we've worked hard to make it our second home. We have discovered that no recorded permit exists, which comes as a total and unpleasant surprise to us, as you can imagine.

We are requesting a permit because we really believed we had one all this time. Our plan is to pass our cabin on to our children, but given my retirement and health status it is unsettling not to have this permit should a financial emergency arise. We greatly appreciate your consideration of this matter and hope you will grant our request.

Sincerely,

*A. Kajlich*
